ENTRY NEWS FLASH

Entries

It has been suggested that perhaps we could cap entry fees at \$150, if received by Monday 21 December 2009. Given we have almost reached our target figure of entry numbers, we have indeed agreed to adopt this notion. Therefore, for those of you whom might not have committed yet, perhaps we have offered you an incentive to come and join us.

Please note however, entries received 22 December 2009 and after, will remain at \$250. The premium on late entry fees has been put in place to cover the cost of supplying, running and manning additional rescue craft, should there be a late rush of entries. The revised remaining fee structure is now as follows;

| | |
|---|----------|
| If postal marked, or received by direct credit up to and including 21 Dec 2009 | \$150:00 |
| All others post marked or received 22 Dec 2009 and after | \$250:00 |

Simply pay your entry fee by Direct Credit to:

NS14 Association of Qld
BSB 034-000
Acct No. 34-4300

scan your completed forms and email to fletch@uqconnect.net.

If making payment by Direct Credit, then for ease of identification, please use your Sail Number, as the Transaction Reference Number, or Payee Statement Detail

Of course you can choose to post your forms and that address is:

The Secretary - Steve Fletcher
NS14 Association of Qld
4 Velda Close
Wishart Qld 4122
