Come and try an NS14 in a fun regatta of short course racing. All levels of experience welcome. Experienced NS14 sailors will be on hand and make their boats available or take you out

NS14s are

- an intermediate class boat
- suitable for all ages from teenagers to retirees
- cheap to own and run compared to International and senior classes
- ideal for family teams (parent/child or couples)
- easily handled by junior and female helmsman

As a National Class the NS14 has attracted juniors, families and experienced sailors who have found the boat to provide exciting rides and racing at a comfortable budget and on a manageable scale. Olympic Gold Medallist Malcolm Page owns an NS14.
